## News \* Events **Livestock**

Something that really sets The Dakota Farmer off from other farm magazines is its regular Livestock Section. Livestock fieldman Ray Larsen's Dakota Livestock Notes will keep you informed on current happenings in the livestock business. In addition to his column, Ray also brings you a listing of purebred sale dates and results of major sales.

### **DAKOTA livestock notes**

By **RAY LARSEN**

The Livestock Section also features associate editor Gary Moran's regular column about horses, saddle club activities and rodeo events. If you are interested in horses, this column is for you.

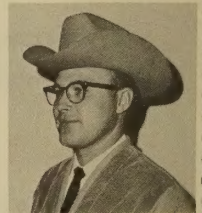

by  
**Gary Moran**

### **HORSE SENSE**

A new addition to The Dakota Farmer's staff is Derald Holt, a former livestock breeder, from Faulkton, S. D. Derald will be working with Ray Larsen as a livestock fieldman. Both Ray and Derald are available to help you with your livestock advertising program.

# NEW GTA SWINE RESEARCH CENTER DEVELOPS IMPROVED FEEDING PROGRAMS

A new 26- x 70-foot farrowing house has been added to the GTA feed research center at Sioux Falls, South Dakota. Results shown below are the average of ten trials recently completed in the growing-finishing unit.

The new farrowing house, with other units at the research center, is under the direction of Dr. Darwin Britzman, director of nutrition research for GTA. This is all a part of a development plan that will include beef, sheep, chicken and dairy calf feeding research facilities. The buildings are designed to match as closely as possible conditions on well-managed farms.

New feeds and feeding programs are tested and new products and formulas evaluated at the center. Research results from other institutions and new management practices and equipment are also being studied. Dr. Britzman cites new ventilation systems and the use of slotted floors in the new swine buildings as examples of the practical ideas being studied.

**These are the averaged results of 10 outstanding growing-finishing trials:**

TRIAL RESULTS	AVERAGE
Starting Weight	22.8
Final Weight	212.4
Total Gain	189.6
Average Daily Gain	1.81
Feed Per Lb. Gain	3.03
Days Birth to 210 Lbs.	141

# TERMS AND CONDITIONS

The Sioux Falls Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the Sioux Empire area, takes pride in presenting this offering of **QUALITY PUREBRED LIVESTOCK**.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.

2. Buyers will assume all risk on animals as soon as they are declared sold.

3. The auctioneer will settle all disputes as to bids.

4. The Sioux Empire Farm Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.

5. Any change in breeding date will be announced sale day.

6. Terms of every sale are cash. Settlement to be made with the sale clerk, at the time of sale unless special arrangements are made with the clerk.

7. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.

8. Mail bids will be accepted by the Breed Superintendents.

9. During sale week, telephone bids will be accepted at the sale arena, phone number 334-2761.

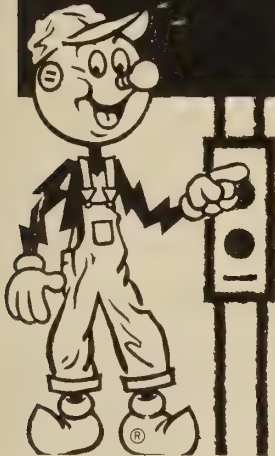

10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Sioux Empire Farm Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.

The Banks of Sioux Falls are cooperating in the Clerking.

SWITCH from nagging backaches and costly manual labor to today's low-cost labor savers—ELECTRIC farm equipment. Reddy Kilowatt powered equipment does every job—unloads silos, conveys grains, feeds livestock and poultry—automatically. These machines have been tested and field proven—they work!

Consult our trained Rural Representative about the ELECTRIC farm system that suits your needs ... it pays!

### SPECIAL AWARDS

THE AMERICAN ANGUS ASSOCIATION, 3201 Frederick Boulevard, St. Joseph, Mo., Glen Bratcher, Secretary, will add 25% to the premiums offered by the Sioux Empire Farm Show to the top ten Angus steers brought to the Coliseum for final placing. An additional \$100 will be awarded to the Grand Champion steer, provided it is an Angus Steer sired by a bull recorded in the American Angus Herd Book. These awards will be paid directly from the Angus Association in St. Joseph, Mo.

THE AMERICAN HEREFORD ASSOCIATION, Hereford Drive, Kansas City, B. C. Snidow, Secretary, is cooperating with the Sioux Empire Farm Show wherein they will pay an additional 25% of the premiums paid by the Farm Show to the top ten Hereford steers brought to the Coliseum for final placing. In addition, an additional \$100 will be awarded to the Grand Champion steer, provided it is a Hereford. These awards will be paid directly from the Hereford Association in Kansas City.

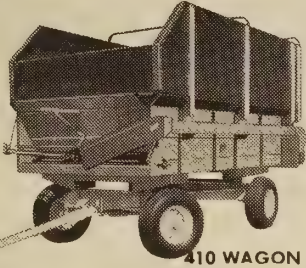

THE AMERICAN SHORTHORN ASSOCIATION, 8288 Hascall Street, Omaha, Nebr., C. D. Swaffar, Secretary, is cooperating with the Sioux Empire Farm Show wherein they will pay an additional 20% of the premiums paid by the Farm Show to the top ten Shorthorn steers brought to the Coliseum for final placing. The Association's share will be mailed directly from their office in Omaha.

This heifer is sired by our outstanding old herd bull, Black Progressor, who was Reserve Champion at the 1960 Sioux Empire show. This heifer was a class winner at the Turner County Fair and placed high in the blue ribbon group at the State Fair. She sells safe in calf to Goldberg Ambassador 26, our top son of the famous Caroland Ambassador 50, owned by Max Goldberg at Moorhead, Minnesota.

--	---

A real top daughter of Meadow Lane Monarch, the 1966 5th Place Sire of the Year. The dam by Scottish Prince 8335, who has done so much for us. This particular mating looks very good in our breeding program. This female is due to calve March 18, 1968 to an extreme top son of Moles Hill Maximilian 1205 "Constructor", the most talked about bull in the Angus world. This service sire, Keystone Constructor, was a class winner at the All American Futurity, Jr. and Reserve Champion at Ohio State Fair and Jr. Champion at the Eastern National in 1967, and 4th in class in the International. This is the first time his service is being offered anywhere. This could be a real opportunity to be in on this top combination of bloodlines.

A very muscular bull with a lot of stretch and style that was a member of our 1st Prize Get of Sire at the 1967 Wisconsin State Fair. Sired by Blue Lake Bardmere 10, who won his class at 10 major shows and was Junior Champion at San Antonio and the Mississippi State Fair. The dam is a big cow and a granddaughter of Eileenmere 1100. Be sure and look up this herd bull prospect.

**BLACKTOP EILEENETT T2, 1967 Wisconsin State Fair Reserve Sale Champion.**  
 "She sells."

Bardoliermere E&B 1317 is a 7/8 brother to the Grand Champion and top selling bulls at the 1967 "Show Window Sale" and also the 1966 "Ak-Sar-Ben Angus Show & Sale". The best word to describe the "1317" is Massive. His dam is one of the best cows anywhere, a full sister to the Arthurmere 999-35-50, who won his class at the Iowa State Fair and was the Reserve Grand Champion Futurity Bull and member of the first prize Get of Sire at the Iowa State Show & Sale in 1963.

**1967 Ak-Sar-Ben Grand Champion 4-H Female**. A daughter of Ankonian Pasha shown by Arlan Weiderstein. Shown at six shows, four times Champion, never defeated in class.

We are real proud of this son of Ankonian Pasha, a lot of size and power in the "24th". Ankonian Pasha is as consistent a sire of good cattle as we have ever known. The first grandsons of Ankonian Pasha are proving that his sons have the genetic strength to reproduce his kind. We feel that Pasha E&B 24th can be labeled "Herd Sire Prospect Extraordinary".

Here is a big fellow that has received many favorable comments. 538 lbs. weaning weight and 1012 lbs. at 1 year of age. We think enough of him to have some of our best heifers in calf to him. Out of a wonderful Wilton cow and the fabulous Ballot on the top.

A half brother to the bull calf we sold at this sale last year that so many commented on. We think you will like this bull even better. Note his dam being a double bred 492 making her dam and sire both 1/2 brother and sister to former Pres. Eisenhower's gainability bull, with two strains of importation on his sire's side. 541 lbs. weaning weight, 987 lbs. yearling weight.

## *Terms and Conditions*

In addition to the terms and conditions listed earlier in the catalog, the following is also in effect for the Holstein Sale.

CERTIFICATES: Each animal is recorded, or will be recorded, in the Herd Book of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser free of charge.

### WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell the same.
2. Unless otherwise announced from the auction stand, each animal is sold as sound.
3. (A) Bulls: Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within 4 months after the bull reaches 14 months of age. The seller shall then have 6 months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
4. (B) Females: Any female pregnant when sold or that has freshened normally within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within 6 months of sale date, or if less than 15 months old when sold by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of 6 months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the sale price of the animal.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

# CO-OP SWINE FEED WITH TYLAN SULFA MEANS TOP QUALITY

You don't have to wait for twisted noses and stunted growth to do something about atrophic rhinitis. You can maintain weight gains and curb that disease with CO-OP Complete Swine Feeds with TYLAN-SULFA. The combo also fights vibronic dysentery . . . a vicious scour that can kill young pigs. If you're raising pigs without CO-OP Complete Swine Feeds with the powerful TYLAN-SULFA disease fighters, chances are, you're losing money. Your CO-OP Feed man has details for

you. Call him. Check this feeding schedule for four CO-OP Feeds with TYLAN SULFA:

Name of Feed	Age/Wt. to Feed	Feed per Animal	How to Feed
Pig Pre-Starter Complete (CE)	0-4 weeks (5-15 lbs)	5-lbs.	Complete feed for early weaned pigs or supplement for pigs on sow.
Pig Starter Complete (CE)	5-7 weeks (15-30 lbs.)	25-lbs.	Complete feed. Feed-free choice to weaned or unweaned pigs.
Pig Grower-16 Complete (CE)	8-10 weeks or 8-12. (30-50-75-lbs.)		Complete feed. Feed-free choice to weaned or unweaned pigs.
Pig Grower-14 Complete (CE)	11-12 weeks. (50-75-lbs.)		Complete feed. Feed-free choice to weaned or unweaned pigs.
Pig Concentrate (CE)			To be used in mixing the above complete feeds and for custom-mixing.

Truly one of the best bulls we have raised. This bull is an own son of the Famed Bull Amigo 100% Charolais which holds the world record on loin eye measurement, which shows to be true in Fairfield Amigo. Fairfield Amigos services have been used at the University of Minnesota, in their 1967 breeding program for acquiring cross breeding data. We have also used him on half of our own herd, this year and a few last year. Fairfield Amigo calves are outstanding in every way. This bull has a weaning weight of 921 lbs. (second highest in our herd) at 11 months of age weight 1221, at 16 months 1608 lbs. and at 24 months 2070 lbs. Truly a proven herd sire with all his years ahead of him. If you want the French influence? Take a good look at this bull can do for you.

## "PARTNERS IN AGRICULTURAL PROGRESS"

The annual SIOUX EMPIRE FARM SHOW is but one of the many agricultural activities sponsored each year by the Sioux Falls Chamber of Commerce.

Realizing the importance of agriculture to the economy of our city, the Sioux Falls Chamber of Commerce has sponsored the National Plowing Contest, the National Cornpicking Contest, Land Judging Schools and we give full cooperation to the Sioux Empire Fair, Soil Conservation Programs and many other activities related to the most important industry in our state—agriculture.

Our city is no better than the agricultural area surrounding it. Our constant purpose will be to always maintain a close working relationship with all interests to upgrade farming methods and income in our state, area and all America.
